## **MEMSCAP FINALIZES THE ACQUISITION OF LABORATOIRES LA LICORNE**

*The new MEMSCAP Group company already started its integration*

**Grenoble, France and Skoppum, Norway, November 25, 2007** – MEMSCAP (NYSE Euronext: MEMS), the leading provider of innovative solutions based on MEMS (micro-electro-mechanical systems) technology, today announces it has finalized the acquisition of 100% of the share capital and voting rights of French company Laboratoires La Licorne, the skin biodermatological treatment specialist.

As detailed in the November 12, 2007 press release, this acquisition that strengthens MEMSCAP skin technology cluster organized around its subsidiary IntuiSkin, will give the Group a complete range offering for all skin and beauty professionals, by offering each of them as well as their patient/clients, products and technological developments specially tailored to answer their specific needs

MEMSCAP board of directors has unanimously approved the acquisition treaty as well as the valuation, as controlled by the independent appraiser ('commissaire aux apports'). Acting upon delegation given to it by the 14th resolution voted by MEMSCAP shareholders annual meeting held on June 21, 2007, the board of directors has then issued 121 053 new MEMSCAP shares for Laboratoires La Licorne shareholders, and consequently increased the MEMSCAP share capital of a global amount of 242.106 euros.

Those 121.053 new MEMSCAP shares will be subject to all bylaws conditions, will be treated and will benefit from the same rights as existing shares, starting from the beginning of the current fiscal year. They enjoyment date will start on January 1st 2007 and they will be registered for trading on NYSE Eurolist of Euronext Paris, on the same listing line as existing MEMSCAP shares.

Laboratoires La Licorne integration within the MEMSCAP Group has already started and results should be seen starting from the beginning of year 2008.

**Q4 earnings will be released on January 21, 2008.**
